

TO WHOM IT MAY CONCERN

İstanbul, 01.10.2007

Ms. Nevin Sirvan Baran has worked for the Piri Group during the execution of the Fashion and Textile Centre project (FTC Project) comprising the component of setting up of the Textile and Garment Consultancy Center (CC).

In her position of short term expert, Ms. Baran's responsibilities were in close cooperation with the Component Leader, other experts and the Beneficiary to,

- design an international programme to be implemented as pilot services,
- lead and manage the implementation of the pilot services covering development of questionnaire, diagnostics, identification of improvement areas, etc.
- lead and manage the implementation of the internationalisation pilot services including conducting workshops and provision of training programmes
- elaborate a medium term implementation plan for the further development of CC activities

Piri Group has appreciated Ms. Baran's enthusiasm and her disciplined approach in fulfilling her responsibilities.
